## Albany Lions Installation of Officers Council Seeks New Funds For Memorial Park

JOSEPHINE FOLEY, an institution around Albany, observed her 80th birthday last Tuesday.

TYRONE ROSE, 1974 graduate of Albany High, has one goal to fulfill before he begins his freshman year at Arizona State University this fall. He would like to go to Iowa City, Iowa, July 25-27 to compete in the National Junior Wrestling Championships. He needs only \$300 to make the trip. Contributions may be sent to him in care of Bill Hampton, secretary-treasurer of Bay Area Wrestling Association, 15 Coronado Court, Walnut Creek, CA 94596. He could make Albany nationally known.

ALBANY'S JULY 4 celebration in the park was wonderful this year. The weather couldn't have been nicer—warm, bright blue skies and just a hint of a breeze. What with ball games and contests of various types, activity was possible all day, but most people seemed to prefer to sit in the sun, visit with their friends and really take it easy. Found something new had been added in the cake decorating contest, which Bud Rooney said is now four years old. It was students of Carrie Williams and the cakes were superb. In addition, several women were decorating cakes so others could see how it was done. Learned they no longer have square dancing, but everything, including the Lions' watermelon eating contest, remains the same. Typical, traditional, fun-filled community Fourth of July.

ONLY A FEW days remain of the Alameda County Fair in Pleasanton but, too, is just as I remembered it—including those fabulous steak sandwiches. Fair Director Johnny and Mary Plech played den father and mother to the Albany group who took the bus Wednesday, Albany Day.

COZY, the first in a series of poodles trained by Mary Culley, is very ill. She had major surgery twice in recent weeks—all Mary and Bill needed just as they were getting ready for their son, Patrick's wedding.

JEFF AND PAULA O'DONNELL did their annual thing Saturday night by inviting former members of the Albany Little League Jets team to their Concord home for a barbecue. Jeff, the original manager of the Senior Division team when they started about 10 years ago, likes to keep in touch with his former players. Now there are about 30 young men who started playing under Jeff's direction when they were 13 and continued until they became 16. It was a lovely affair. Don't ask me how I got an invitation. Just lucky, I guess.

MRS. ESTHER JACOBI of Evelyn Ave., was guest of honor at a birthday party given by her former neighbors on Cerrito St., where she lived for 50 years. Co-hostesses were Georgia Sargent and Sigrid Oakley. During the party it was learned that the guests June Rowland, Caren Feagley, Melva Workman and Ada Miller were also celebrating their birthdays. Among others attending were Velma Barnett, Gertrude Blandino, Edith Carlson, Elma Foster, Barbara Gerdes, Celeste Graham, Ellen Hansen, Lillian McGonigle, Norma Valentine, Lillian Valentine and Sharon Wheeler.

### New President For Albany Lions Club

Kenneth Berner has been installed as the thirty-second president of the Lions Club of Albany. The ceremony took place after a banquet at H's Lordship Restaurant in Berkeley on Saturday, June 22.

Berner is an engineer in the California Department of Transportation and a U.S. Naval Reserve officer. He joined the Albany Lions Club in 1964 and has held many of the Club's offices and committee chairmanships.

That same evening, the club presented its "Outstanding Lion" award to Alvin Drozda. Drozda joined the Albany Lions Club in 1962, and served as president during 1966-7. He has held many other club offices and committee chairmanships. For several years, he has served as chairman for the club's annual fund raising crab feed. This award is not presented annually, but only when the club board of directors feels that there is an unusually worthy candidate. It was last presented in 1968, to John (Tiny) Kampe.

The other club officers who were installed are: William Johnson and Allen Caruso, vice presidents; Allan Vincent, Secretary; Donald Chelmedos, Treasurer; Alvin Drozda, Tail-twister; Jack Demster, Lion Tamer; and William Nash, Arthur Longpre, Robert Luoma, and Delbert Wisenor, members of the board of directors. Lawrence D. Saler was master of ceremonies and J. Henry Kruse, Jr., was the installing officer.

ers attending were Velma Barnett, Gertrude Blandino, Edith Carlson, Elma Foster, Barbara Gerdes, Celeste Graham, Ellen Hansen, Lillian McGonigle, Norma Valentine, Lillian Valentine and Sharon Wheeler.

BETSY HAUSBURG has been hired to train aspiring ballet stars with temporary headquarters at 1417 Solano Ave. by the newly-formed East Bay Ballet Theater. For information and requirements, call Mrs. Grace Chinn at 324-3141.

City Administrative Officer James B. Turner was authorized by a vote of the City Council to make application for state funds for the rehabilitation of Memorial Park at Monday night's meeting.

The funds, made available through the passage of Proposition 1 in the June election, will amount to \$70,153. The specifics of how, where and when the money will be spent has not been determined, this application is simply for general funds for the improvement of the park.

The resolution was passed unanimously with Vice-Mayor Michael Gleason absent due to illness.

The question of application has previously been discussed both at Council meetings and budget sessions, action was taken at this time because the state must receive all applications for consideration by July 15.

Payment of claims was made in the amount of \$29,661.68.

A resolution providing for the payment of funds to the Chamber of Commerce and providing for the execution of the agreement was passed unanimously by the Council.

Councilman George Hein first asked for confirmation from the Chamber that the agreement was an acceptable one and Hal Denham of the Chamber assured the Council that this agreement was acceptable.

Under Unfinished Business Councilman Patrick Griffin questioned the City Administrator and City Attorney Lawrence Saler as to the whereabouts of a report on the rescinding of building permits that had been requested four weeks earlier.

The requested report would include building code sections that pertain to building permits, potential liabilities, alternative procedures, etc.

The Administrative Officer referred Griffin back to last week's meeting when it had been explained that items of this nature would be, in the opinion of the City Attorney, best discussed in attorney-client sessions and that he would be happy to talk to councilmen individually or collectively, but that a public report would be inadvisable at this time.

Mayor Richard O. Clark explained that Griffin was simply requesting a report on the question in general as opposed to a report specifically on the revoking procedure of the permit of the Albany Hill developers.

Griffin asked City Attorney Saler what recourse the City Council would have if both he and Turner refused to prepare a report. Saler explained that other than a writ of mandate he knew of no actions the council could take.

In other matters Monday night, Council:

APPROVED the appointment of Raoul Miranda as probationary Assistant Fire Chief, effective July 16, 1974 and Kenneth D. Cochran to the position of probationary Captain in the Fire Department also effective July 16.

HEARD a petition requesting that the blackberry bushes facing on Tevin St. be cleared. City Administrative Officer Turner explained that the property owner has been notified and has said he would take care of it.

VOTED to put up for bid the purchase of a sprinkler system for Memorial Park. Councilman

Griffin asked how the bids were advertised and the City Administrative Officer explained that the bids were advertised in three local trade papers and are officially advertised in the Albany Times.

Under Good of the City Councilman Griffin moved to send a communication to Sacramento in opposition to A.B. 3690 which would require a municipality to reimburse the loss of property value to an owner because of rezoning. He said as long as the state would require this reimbursement without reimbursing the city in return he was opposed to it. Councilman Hein seconded the motion and it passed 3-1 with Councilman Call the dissenting vote.

Griffin also requested that a report be prepared by the City Administrative Officer telling which department heads and other city employees serve at the pleasure of the Council and can be replaced by the Council.

Councilman Hein objected to the request saying it was just extra work for Turner and Saler and that Griffin could get the information himself if he really wanted it.

Also under Good of the City Griffin requested that August 12 be set as a date for a review of the alternatives to current city insurance service. It will go on the agenda under Unfinished Business.

Because of last week's early deadline it was impossible to include an account of last week's City Council meeting. Some of the highlights of that meeting include:

The setting of the property tax rate for the new Fiscal Year at \$2.04. All other taxes stay the same.

The passing of the budget for 1974-75.

Included in the budget was 35 cents admission tax to Golden Gate Fields which was approved in the budget and then by motion this tax was raised to 40 cents.

A resolution was passed confirming the appointment of Horace Koepeke as Permanent Captain in the Fire Department.

A resolution was also made appointing Darlene Shumway to the Library Board of Trustees.

Michael Williams was appointed to permanent rank of Fireman by recommendation of the Fire Chief.

### Albany Hospital Has Disaster Drill

Albany Boy Scout Troop 12 participated in a Disaster Drill at Albany Hospital on the evening of June 18. Eight boys acted as disaster victims with mock injuries including burns, lacerations, skull fractures and chest injuries. As in the past, the Scouts used great imagination and special effects to make their injuries look surprisingly real.

Older scouts and scout leaders acted as stretcher bearers. The hospital staff was mobilized to "treat" the injured and to test its emergency facilities.

Disaster Drills are held periodically at Albany hospital to maintain emergency supplies and a state of preparedness for a sudden unexpected influx of injured persons.
